2023 AWHONN Oklahoma Section Conference

The **AWHONN 2023 Oklahoma Section Conference Committee** is excited to invite you to our annual conference- *Reignite the Flame Within*- in beautiful Oklahoma City, Oklahoma on April 6th and 7th.

It's an exciting agenda that includes nationally renowned speakers and accomplished members of our organization. Conference content includes topics our members have requested that address key issues in maternal-newborn healthcare and tools for nurses to navigate the ever-changing perinatal health field.

It is a wonderful event to expand your knowledge, interact with Oklahoma AWHONN leaders and network with colleagues. In addition, we are happy to offer discounted rates to nursing students that wish to attend the conference sessions.

Your support and education have built a history of Oklahoma AWHONN success, and this looks to be another exceptional event, with 100 participants expected.

Join us in Reigniting the Flame Within. We look forward to seeing you!
